Disclaimers

- 1 Prices shown are Acura suggested retail prices only and do not include taxes, license or destination and handling charge. Destination & Handling charge for sedans (excluding PMC Edition) and SUVs (excluding PMC Edition) is \$1,195.00. Destination & Handling charge for PMC Edition models is \$1,995.00. Premium Paint colors are \$600 and not included. Acura vehicle accessory costs, labor and installation vary. Dealers set their own prices. Please consult your selected dealer.
- 3 Does not apply to fluid and filter changes or periodic inspections. Please refer to the maintenance section of your owner's manual to determine all appropriate maintenance intervals.
- 7 The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files. Some USB devices with security software and digital rights-protected files may not work. Please see your local Acura dealer for details on compatibility.
- 10 Acura Navigation System and related features available only in the United States, Puerto Rico and parts of Canada. See your local Acura dealer for information regarding navigation system area coverage
- 11 The *Bluetooth*® word mark and logos are owned by the *Bluetooth* SIG, Inc., and any use of such marks is under license.
- 12 VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
- 16 Ordinary maintenance items or adjustments, parts subject to normal wear and replacement, and certain other items are excluded.
- 17 When installed at the time of new-vehicle delivery. Installation or use of non-Acura-genuine accessories that results in vehicle damage is not covered under otherwise applicable warranties.
- 18 See your local dealer for details about Total Luxury Care® (TLC), Roadside Assistance, and Concierge Service.
- 19 Some models require premium fuel and for others, it's recommended. Consult your dealer for details.
- 20 The system is not a substitute for your own visual assessment before changing lanes; system accuracy will vary based on weather, size of object and speed.
- 41 Acura reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat.

The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 43 Lane Keeping Assist System (LKAS) and Traffic Jam Assist (TJA) only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. The system may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 45 Compatible with select smartphones. Your wireless carrier's rate plans apply.
- 46 Based on SAE J1100 cargo volume measurement standard.
- 50 Always visually confirm that it is safe to drive before backing up; the rear view camera display does not provide complete information about all conditions and objects at the rear of your vehicle.

- 51 Depending on use, Apple CarPlay can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with the connected iPhone. See Apple's privacy policy for details regarding Apple's use and handling of data uploaded by CarPlay. Use of CarPlay is at user's own risk, and is subject to agreement to the CarPlay terms of use, which are included as part of the Apple iOS terms of use. CarPlay vehicle integration is provided "as is," and Honda cannot guarantee CarPlay operability or functionality now or in the future due to, among other conditions, changes in CarPlay software/Apples iOS, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details.
- 52 To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is," and Acura cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Only use Android Auto when conditions allow you to do so safely. Google, Google Play and Android Auto are trademarks of Google LLC.
- 56 LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 59 LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 61 Collision Mitigation Braking System™ (CMBS™) with Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. System operation affected by extreme interior heat. FCW does not apply braking, and CMBS only is designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 70 Credit card and AcuraLink The Next Generation enrollment required to sign up for 90-Day Free Trial of AcuraLink Premium. For owners with Standard package enrollment, credit card will be billed for 1-year Premium package subscription if 90-Day Free Trial not cancelled by day 90. For owners with Connect package enrollment, credit card will be immediately billed for 1-year Connect package subscription, and the difference between the 1-year Connect and Premium packages will be charged if 90-Day Free Trial not cancelled by day 90. For owners with Premium package enrollment, credit card will be immediately billed for 1-year Premium package subscription. If you cancel by day 90, you will be refunded the Premium package subscription fee. If you do not cancel, your 1-year AcuraLink Premium subscription begins – giving you 15 months for the price of 12.
- 84 ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. System operation affected by extreme interior heat. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 88 Based on SAE J1100 cargo volume measurement standard plus underfloor storage. This figure compares more accurately with most competitive measurements.
- 91 Towing requires the addition of the Acura accessory trailer hitch and hitch ball. Please see your Acura dealer for details. Added cargo weight in the vehicle may reduce max towing capacity, see Owner's Guide for details.
- 100 Requires AT&T data plan. Learn more about available data plans here. <https://myvehicle.att.com/#/acura/learn?country=US&language=en> Coverage & service not available everywhere. Fees, terms & restrictions apply.
- 112 CMBS with Pedestrian Detection cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 114 TSR cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations.

- 115 Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 120 Low-Speed Braking Control may not detect all objects in front of or behind the vehicle. Accuracy will vary based on weather, speed and other factors. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 121 Amazon, Alexa and all related marks are trademarks of [amazon.com](https://www.amazon.com), Inc. or its affiliates.
- 149 Select AcuraLink features are complimentary. 36 month complimentary trials are available for Security and Remote packages. A subscription is required to continue AcuraLink services after the trial ends.
- 185 Google built-in services are subject to limitations and, availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play and Google Maps are trademarks of Google LLC.
- 199 The Acura Maintenance Program covers the first oil change, tire rotation and multi-point inspection for 2025 and newer vehicles within one year or 12,000 miles, whichever comes first. For additional maintenance information see your vehicle's owner manual. Visit a participating Acura dealer for vehicle eligibility, coverage details and exclusions. Valid only in the United States of America.
- 206 Based on 2026 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary, depending on how you drive and maintain your vehicle, driving conditions, battery pack age/condition (hybrid only) and other factors.
